Trix

Guests will know you mean business when they're offered this attractive and well-constructed side chair. Trix's upholstered back and seat come in an array of material options to suit any space, while offering hours of seated comfort.

Perfect for cafeterias, training spaces, classrooms, waiting rooms, and auditoriums, Trix can be specified with ganging brackets, making row seating easy! Plus, when specified with glides, it can stack six high on the floor for space savings. Trix brings the best forward with guest and group seating.

Due to print variations, colors and materials shown may not be fully accurate. Please see your AIS representative if you would like a sample.
